

For the last 30 years I have made a tradition of visiting customers in the weeks between Thanksgiving and Christmas. Every year, I look forward to seeing customers and expressing to them how much we appreciate their business and the continued opportunity to work with them. However, out of respect for our customers and their families' safety I will not be visiting this year. We sincerely appreciate our dedicated employees for continuing to produce quality precast during these challenging times

Thank you! Be safe! Hope to see you next year!
