For Girl Scout Troop 68384

Next Meeting

Get ready for our final meeting before summer! We're going to have a blast showing the girls how to become tent-raising pros, taking them for a spin on the rock climbing equipment. Then the best part – practicing building fires safely to create some oh-so-delicious s'mores! Looking forward to seeing everyone there!

May 9th 04:30 – 6:00 PM
Sister Cities Park

3469 Rock St Brighton, CO 80601

Keep an eye out and listen up for some fun camping adventures and other activities we're planning for the summer! We'll share more details soon.

What to Bring:

Please help your Girl Scout put together a Fuel Bag. It's easy and fun! Each bag should include:

- An empty toilet paper roll (cut in half)
- Flammable goodies like dryer lint, shredded paper, or toilet paper

We'll use these to spark some campfire magic (safely, of course)

We'd love to end our meeting with a classic campfire treat. If a few parents could volunteer to bring:

- Roasting pans
- Marshmallows
- Graham crackers
- Chocolate

...we'd really appreciate it!
